Dear Sir:-

Following up my telephone communication to your secretary of this date in the matter of Raymond M. In case defendant cannot furnish bail, he should be committed to the Union County Jail at Elizabeth, as a Federal Prisoner to await the action of the Federal Grand Jury.

All of this can be done by yourself as a committing magistrate without the defendant being brought before a United States Commissioner.

Yours very truly,

STATEMENT BY RAYMOND M. IRELAND, 1 Arch Street, Newark.

"I have known Edward Jackson for about a month. About a week ago he told me that a friend of his in Linden was coming to Plainfield and getting drunk and asked me if I would not come to Plainfield to try to get evidence against these places where his friend was getting drunk. We came to Plainfield on the night of April 1st, and Jackson and another man went into Greenblatt's store on South 2nd Street and tried to purchase liquor, but were unable to. I waited down the street until they came out. On Saturday night we came to Plainfield again, arriving about 8:30 p. m. I stopped into Paddy's Lunch Room for something to eat, and a short time afterward Jackson brought a man with him into the lunch room and said he would make the purchase of liquor. We drove down to Joseph Bieshuns' place and stopped a short distance from the store. Dolan went into the store and when he came out he said he had been unable to buy liquor. Then we drove to Kerwins on West 4th Street, and from there to South Plainfield, where we had some beer. We stayed there some time and when we started back Dolan said he wanted to get a drink of whiskey. He stopped at a place near Bieshuns and then at a place on West Front Street near the International Motor Co. When he came out of there he suggested going back to Bieshuns store to try and buy evidence. He went in while the rest of us waited outside. After a while Jackson said that he had given the signal that he had purchased it. We then went in and Dolan handed me the bottle and I labelled it and asked the man in the store if he was the proprietor and he said he was. Then he wanted to talk to us and I

told him I did not want to bother; that I came to get the evidence and that I was going to turn it over to Newark Prohibition Office. While we were there a taxi drove up and Bieshuns got out of it. The driver of the cab asked me to give Bieshuns back the evidence and drop the case. This I refused to do and Bieshuns offered me fifty dollars. I again refused and he offered me one hundred dollars, and said he would give me more some other time. I refused and walked away from him. We then drove away to a lunch wagon and had something to eat, and when we were again on our way home we were stopped by an officer and brought to Police Headquarters.

STATEMENT MADE BY JOSEPH BIESHUNS, 816 West 7th Street.

I conduct a store at 955 South Second Street, Plainfield, N. J. On the morning of April 3rd, shortly after midnight, I came down to my store in a taxi driven by Chas. Curran. I went in the back way and saw two men whom I afterward heard were jackson and Ireland. Jackson said to Ireland that I was butting in their business. I went out and Ireland followed me and said he was going to take me to Newark for a liquor violation. He said if I gave him three hundred dollars he would let me go. He walked me up the street to a garage and I gave him $210. and he said he would be back on Tuesday for the rest. He then told me to beat it and I notified the police department.

Shortly afterward I saw the car on East Front Street near Richmond. I followed it to South Avenue near Berckman Street, where I stopped it. Ireland got out and flashed a badge and wanted to know what the idea was. I told him I did not want anything to with him and brought the car and occupants to Headquarters, as I had been directed to do.

"On Saturday night, April 2nd, I accompanied my uncle Edward Jackson and Mr. Ireland to Plainfield. We drove to a small store on South Second Street and they went inside. I stayed in the car. After a while Ireland brought Louis Sokolinsky out to the car and after keeping him there a while he told him to get out. He said he was a revenue officer. I do not know what else occurred as I stayed outside all the time.

STATEMENT BY EDWARD JACKSON, 537 RAHWAY AVE., ELIZABETH.

I first met Ireland about three weeks ago. On Saturday night, April 2nd, he came to the house to collect the rent and then asked me to drive him to Plainfield. He said he wanted to get evidence on some of the places there. I did not want to go at first, but finally went. He told me everything was all right as long as I was with him. We arrived in Plainfield about 3:15 P. M. and went to Paddy's Lunch room where he had something to eat. Then he wanted to go to South Second St. At Park Avenue and 2nd Street he picked up a man named Dolan. When we arrived at a small store on South 2nd Street Ireland wanted me to go in to buy liquor, but I refused and he sent Dolan in. About five or ten minutes after Dolan went in, Ireland followed him and told me to come in. He grabbed Dolan and took a bottle from his pocket. The man in the store said that Dolan must have had it on him when he came in as he did not sell it to him. After quite a bit of talking, Ireland brought Louis Sokolinsky out and put him in my car. He said he was going to take him to Newark. I told Ireland that I was not going to Newark, but that I wanted to go home. Finally Ireland said to Sokolinsky that he would let him go, as he had the evidence and that he was after his brother-in-law. As I started up my car a taxi drew up and Ireland grabbed my steering wheel and pulled my car in front of the taxi. He went over to the taxi and had quite a conversation with Joseph Bieshuns and finally they went up the street. Then Ireland came back and got into my car and we started for home when we were stopped by a police officer.

STATEMENT MADE BY LOUIS SOKOLINSKY, 955 South Second St.

"About 11 p. m. April 2nd, two men came into the store. Ireland flashed a badge and told me I was under arrest. He said he was a prohibition officer. He asked me who the fellow was with glasses on and who Joe was. I refused to give him any information. I tried to telephone Police Headquarters, but he put his hand in his pocket as though he had a revolver there and would not let me call up. He made me close up the place and took me out. He kept me out for several hours when Joe drove up in a taxicab. As soon as he saw the taxi he left me and went over to it. He grabbed Joe and pushed him around and finally took him down the street to a garage, and I saw Joe reach into his pocket and hand him something which I took to be money. Then they left.

STATEMENT MADE BY CHARLES CURRAN.

"At 12:20 A. M. April 3rd, Joseph Bieshuns came in the office at North Avenue and asked me to take him home. He called up his wife from the office and said he would be right home, that Louis had given someone something and they were going to take him to Newark. I suggested that he go to the store and see what the trouble was. I drove him there. Joe went inside and then came out again. Ireland said he was going to take him to Newark. He pushed and shoved him around on the sidewalk and said he was a deputy sheriff and a revenue officer. I did not see and badge or credentials. Finally he asked me who I was, and I told him a taxi driver and showed him my credentials. He started to allow me to go and then called me back and took the keys out of my car. He got into my car and I asked him not to take Joe to Newark. He told me to talk to Joe and I did, and then Ireland took him down the street. When he came back he told me he got $100 and would get the balance on Tuesday, but I should not tell Jackson. Then they left and I took Joe to notify the police department.

-vs-

JOHN S. GRIFFITH 336 Penfield Place,
Dunellen, N.J.

Car license K-23624 N.J.
Drivers " 678381 N.J.

April 9th, 1927, John S. Griffith, the defendant, was taken into custody by Officers Bray and Erber for driving a car while intoxicated, and also because of not having his driver's license or registration card with him.

April 9th, 1927, released by acting magistrate, Ralph Taylor under Two hundred ($200.00) Dollars bond until April 11th, 1927.

April 11th, 1927, complaint made by Officer Erber charging defendant with violation of Section 16 of an act of the Legislature of the State of New Jersey, entitled "An act defining motor vehicles and providing for the registration of the same and the licensing of the drivers thereof; fixing the amount of license and registration fees; fixing rules regulating the use and speed of motor vehicles; prescribing and regulating process and the service thereof and proceedings for the violation of the provisions of the act and penalties for said violations," approved April eight, one thousand nine hundred and twenty-one, (Amended by Chapter 275, P.L.1926) and more particularly of the part of section sixteen which reads as follows:

"Reckless driving is hereby prohibited, and for the purposes of this act and the act to which this act is an amendment, reckless driving is hereby defined to be: the driving of a motor vehicle or motor cycle in any manner which unnecessarily interferes with the free and proper use of any highway, street, road, turnpike, park, or parkway, or driveway, or in any manner which endangers the life or limb or the property of any person."

April 11th, 1927, adjourned trial at the request of defendant's attorney, Robert N. Crane, until April 16th, 1927.

April 16th, 1927, adjourned hearing until April 23rd, 1927 by Mayor Mac Murray, Acting City Judge.

April 23rd, 1927, hearing adjourned at the request of Chief Kiely until April 30th, 1927.

April 30th, 1927, the defendant on this date entered a plea of "not-Guilty". Attorney for defendant made a motion to dismiss the complaint made by Officer Erber and his motion was granted, and the case was dismissed.

April 30th, 1927, Complaint made by David 9. Doyle, State Automobile inspector against defendant, John S. Griffith for a violation of Subdivision 3 of Section 14, Chapter 208, P.L.1921, as amended by Chapters 151 and 152 P.L. 1926, of an act of the Legislature of the State of New Jersey entitled,"An act defining motor vehicles and providing for the registration of the same and licensing of the drivers thereof; fixing rules regulating the use and speed of motor vehicles; fixint the amount of license and registration fees; prescribing and regulating process and the service thereof and proceedings for violation of the provisions of the act and penalties for said violations," approved April eighth, A.D. nineteen hundred and twenty-one (amended by Chapters 151 and 152, P.L.1926), and more

particularly of that part of said subdivision three of section fourteen, which reads as follows:

"No person shall operate a motor vehicle while under the influence of intoxicating liquor or any narcotic or ha habit producing drugs, or permit any person who may be under the influence of intoxicating liquor or narcotic or habit producing drugs to operate any motor vehicle owned by him or in his custody or control."

April 30th, 1927, motion made by Robert N. Crane, defendant Attorney's that he desired to enter a special appearance for the defendant and made a motion to dismiss the complaint because the Court had lost jurisdiction. This motion was refused by the Court, whereupon a plea of "not-guilty" was entered and the trial was proceeded with.

The following witnesses were sworn for the State. Officer Erber, Mr. Morgan Barradale, Officer Bray, Sergeant Saffron, Mrs. Ruth Mac Ferran, The State then rested its case.

At the close of the State's case a motion was made by the Attorney for the defendant to dismiss the complaint on the ground that there was some doubt as to the fact of the intoxication of the defendant, and that he was entitled to reasonable doubt.

This motion was refused.

The following witnesses were called and sworn for the defendant. Dr. Stephen, John S. Griffith, and Edward S. Meyer.

After having heard the witnesses who testified for the State and the testimony given by the defendant and his witnesses I found the defendant "Guilty" as charged

in the Complaint and fined him Two Hundred ($200.00) Dollars and revoked his license.

Acting City Judge of the City of Plainfield.

I, James T. Mac Murray, Mayor and Acting City Judge of the City of Plainfield, do hereby certify that the foregoing is a true copy taken from the City Court Docket and given under my hand and seal of the Court this day of May, 1927.

Christian Hove — 354 Bergen St. Plainfield, N.J.

Above defendant arrested Apr. 24/27 1.40 a.m., D.S. sins by Officer Regan from West 4th St. near Darrow Ave. charged with violating Section 14 of the Motor Vehicle Law by driving his car while under the influence of intoxicating liquor; and violating Section 16 of the Motor Vehicle law by driving in a reckless manner & having an accident. Dr Good, City Physician examined defendant & said he had been drinking.

Ralph Smalley represents defendant & pleaded "not Guilty".

Officer Regan was sworn and testified that a man came along in a taxi & informed him that an automobile ran into a milk wagon & that the driver of the automobile was under the influence of liquor. When the officer got to the scene of the accident he said that the man appeared to be under the influence of liquor. The officer testified that he considered the man unfit to drive or operate an automobile; that he smelt liquor on the man & that he staggered. Officer took him to Dr Good's office Dr Good examined him, & I then brought him to Police Station and he was locked up.

over

Dr. Good was sworn & testified that the man was brought to his office at 2.00 a.m. D.S.T. by Officer Regan. Howe's hand and nose was cut & he fixed them up & then examined him. He smelled liquor on his breath, but he walked alright. He called up Sergt. Saffron and told him that in his opinion the man had been drinking but he would not pronounce him intoxicated.

Ralph Smalley, defendant's attorney, took the stand. He said that he did not feel that there was sufficient evidence to hold the defendant under the 14th Section of Motor Vehicle Law. He admitted that defendant did cause damage to Borden's milk truck, & was willing to settle with them for the damage. He suggested that Complaint be dismissed for Section 14, & the charge of reckless driving (Section 16) be adjourned for two weeks. Namely, May 9/27

Mayor MacMurray said "In view of the fact that Dr. Good says that Mr. Howe was perfectly able to drive a car I will dismiss the Complaint under Section 14; & will adjourn violation under Section 16 until May 9th. Complaint dismissed.

HAROLD E. MORRISON

Ammerst Street,
New Brunswick, N.J.

Car license E-99347 N.J.
Drivers license 358646 N.J.

On May 7th, 1927, Harold E. Morrison, the defendant, was taken into custody by Officer Hurley for driving a car while intoxicated.

May 8th, 1927, at 9.30 a.m. complaint was made by Officer Hurley charging defendant with a violation of Subdivision 3 of Section 14, Chapter 208, P.L.1921, as amended by Chapters 151 and 152 P.L.1926, of an act of the Legislature of the State of New Jersey entitled,"An act defining motor vehicles and providing for the registration of the same and licensing of the drivers thereof; fixing rules regulating the use and speed of motor vehicles; fixing the amount of license and registration fees; prescribing and regulating process and the service thereof and proceedings for violation of the provisions of the act and penalties for said violations," approved April eighth, A.D., nineteen hundred and twenty-one (amended by Chapters 151 and 152, P.L.1926), and more particularly of that part of said subdivision three of section fourteen, which reads as follows:- "No person shall operate a motor vehicle while under the influence of intoxicating liquor or any narcotic or habit producing drugs, or permit any person who may be under the influence of intoxicating liquor or narcotic or habit producing drugs to operate any motor vehicle owned by him or in his custody or control."

April 9th, 1927, defendant arraigned before Acting City Judge, Jimes T. Mac Murray, and entered a plea of "not Guilty".

The following witnesses were sworn for the State. Officer Hurley, Sergeant McGinley, Officer McGarry, and Officer O'Gorman.

The State then rested its case.

The following witness was called and sworn for the defendant. Daniel L. Brady, and defendant, Harole E. Morrison.

After having heard the witnesses who testified for the State and the testimony given by the defendant and his witness I found the defendant "Guilty" as charged in the Complaint and fined him Two Hundred ($200.00) Dollars or 30 days, and revoked his driver's license.

Acting City Judge of the City Of Plainfield.

I, James T. Mac Murray, Mayor and Acting City Judge of the City of Plainfield, do hereby certify that the foregoing is a true copy taken from the City Court Docket and given under my hand and seal of the Court this day of May, 1927.

Acting City Judge of the City of Plainfield.

Officer Hurley testified that defendant, John E. Morrison was in his opinion under the influence of liquor and unfit to drive a car. He said that he practically fell out of the car and staggered when he walked. He also smelled a pronounced odor of liquor on his breath.

Officer Mc Garry testified that when he arrived at the scene defendant, John E. Morrison was sitting on the running board. He acted as if he were under the influence of liquor. "I smelled liquor on his breath, and in my opinion he was not in any condition to drive a car. I would consider him drunk."

Sergt. McGinley testified that defendant was brought to police headquarters by Officer Hurley, McGarry and O'Gorman in the patrol wagon. He said that he was not in a fit condition to drive a car. He staggered and was drunk. He said that he was not close enough to him to smell his breath.

Officer O'Gorman testified that when he got there Morrison was sitting on the running board. He did not get close enough to him to smell liquor on his breath, but there was not question about his being in an unfit condition to drive a car.

In regards to accident which happened between Mr Samuel Goff and myself Sunday afternoon I will safely say that Mr Goff was not drunk and think he was able of handling a car although he admitted he had had a drink - and I do not feel like pressing any further charges against him

as he stood for all
damages made to my car.

JOHN F. MURRAY, JR.
DIRECTOR

July third
1928

Judge DeMeza,
Plainfield, N. J.

Dear Judge:

Henry Moser, Jr., 5566 Hudson Boulevard, North Bergen, received a "ticket" for traffic violation in Plainfield. Some friend of his volunteered to help him with the matter and assured him that he would hear from him later if it were necessary for him to appear. Hearing nothing and relying upon his friend's assurances he did not appear. As a result he was shocked by receipt of notice that his license had been revoked.

Mr. Moser is very sorry that this has occurred as he would rather pay any fine than be accused of disregarding the necessity of appearance and I am writing to say that I am fully confident that he has every respect for your Court and that his failure to appear was due entirely to the assurance of somebody that he need not so appear unless further notified.

I am asking your kindly consideration in the premises and I would not do so were I not positive that Mr. Moser is a gentleman and would not trespass upon the rights of the Court or of an officer issuing the summons. I hope that you may be able to see your way clear to straighten him out as both Mr. Brahney and myself know him to be worthy of every consideration.

Thanking you in anticipation of your kindly consideration and courtesy in the matter, I am,

Yours very truly,

John Murray Jr
